

Miss Sevier County Wardrobe

We want this to be a fun, learning experience for you. We don't want you to feel like it's necessary to go out and buy a new wardrobe specifically for the Miss Sevier County pageant. You probably have a lot of things in your own closet that will work great!

Please note, the following suggestions are just that.....suggestions. All of your wardrobe choices are made by you!

Interview: You should dress professionally, just like you would for a real job interview. After all, this IS your real interview for the job of Miss Sevier County. Present yourself in a professional way as you choose an outfit, shoes and accessories. Keep things simple and clean for interview. You want the judges to focus on you, without distractions from what you are wearing. A simple dress is always a good choice for interview. If you choose to wear jewelry, keep it simple. You will also wear your interview outfit for a fun on stage question.

Casual Wear: This is a great part of the competition! Casual wear is an opportunity for you to really show your personality and style. A good "rule of thumb" is to select your casual wear outfit as if you've been crowned as Miss Sevier County, and have been invited to attend a casual event. What would you wear?

Formal Wear: For formal wear you should wear a floor length gown of your choice. Whatever you feel most beautiful in.

Talent: For talent, you will wear something that compliments your talent. Be creative and go all out, or keep it simple....the choice is yours.

Opening Number: We will have an opening number that all contestants, along with our current Miss Sevier will participate in. All contestants will be on stage together in a fun, upbeat production. (no dance skills required!) You will introduce yourself during the production number. This year you will be wearing black bottoms from your own closet. Either black pants, shorts, skirt (not too short....the stage is high and the judges are low!). We will provide the top for you to wear for the production number.

Don't hesitate to contact me with any questions or concerns!
